APPROVAL OR DISAPPROVAL OF AMENDATORY ACT TO REDUCE STATE USE TAX AND REPLACE WITH A LOCAL COMMUNITY STABILIZATION SHARE TO MODERNIZE THE TAX SYSTEM TO HELP SMALL BUSINESSES GROW AND CREATE JOBS

The amendatory act adopted by the Legislature would:

1. Reduce the state use tax and replace with a local community stabilization share of the tax for the purpose of modernizing the tax system to help small businesses grow and create jobs in Michigan.
2. Require Local Community Stabilization Authority to provide revenue to local governments dedicated for local purposes, including police safety, fire protection, and ambulance emergency services.
3. Increase portion of state use tax dedicated for aid to local school districts.
4. Prohibit Authority from increasing taxes.
5. Prohibit total use tax rate from exceeding existing constitutional 6% limitation.

CITY

Library Millage Renewal

Shall the City of Bloomfield Hills be authorized to continue to levy a library millage of .39 mils per year for a period of six (6) years commencing with the December 2014 levy to fund a library contract with the Baldwin Public Library of Birmingham, Michigan, to provide library services for the residents of the City of Bloomfield Hills? Library services would include full library privileges to the Baldwin Library, including borrowing privileges and other services of the Baldwin Library on the same basis as the same are available to residents of the City of Birmingham. Approval of this proposal would permit a tax limitation levy of $.39 per $1,000 of taxable value on all taxable property in the City. The amount of revenue the City of Bloomfield Hills will collect if the millage is approved and levied by the City in the first calendar year is estimated to be $286,331.
