-------------------------------------	------------------------------	--------------------------------

IV. PLAN REVIEW REQUIRED

All plans for commercial fire alarm systems are required to be submitted to the City of Bloomfield Hills Building Department for approval by the Fire Marshall. Once approval is received from the Fire Marshall, a permit will be issued and work may commence at that time. **Plans in PDF format are also required prior to final inspection.**

V. APPLICANT SIGNATURE

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or residential structure. Violators of Section 23a are subjected to civil fines.

Signature of Licensee	Date
