

August 9, 2019

Citizens:

Beginning Monday, August 12th, Hickory Grove Road construction will get underway. The project includes replacing the culverts under Hickory Grove near Lahser. The road in this immediate area will only be open to local traffic to access their homes. While the work is being completed, this stretch of Hickory Grove Road will be closed and detour routes will be posted.

The City's entire road improvement project includes a new road and portions of new curbing along Hickory Grove from Lahser to Opdyke.

We are committed to communication with regular project updates. If anyone would like to be added to the City's confidential email database to receive our regular e- newsletters and / or text notifications, please send your name, email address, address and phone number to City Clerk Amy Burton at aburton@bloomfieldhillsmi.net

We appreciate your cooperation to keep the crews and residents safe during the construction process.
