Hickory Grove Residents:

Thank you for your continued cooperation during the Hickory Grove Road project.

The contractor is currently paving Hickory Grove from Woodward Avenue to Lahser Road. As of today, this portion of the road is expected to be open before the Labor Day holiday, depending on weather conditions.

The infrastructure improvements on Hickory Grove near Lahser Road will require the segment of road between Hickory Grove to Woodward to remain closed until the culvert repairs are completed. This work is expected to last through the beginning of September.

Please contact Jamie Spivy at (810) 656-7531 if you have questions about the project.
