

September 26, 2019

Residents:

Crews will be working on Friday, September 27, 2019 to complete the paving of Rudgate all the way to Falmouth.

Paving on Marblehead will then follow after Rudgate is completed.

We will do our best to make accommodations and limit the disruption to your schedule and access to and from your property. There will be a City representative onsite at all times to help residents with construction related issues and to answer any questions. If you need assistance, please contact DPW Foreman Jamie Spivy at (810) 656-7531.
