

October 10, 2019

Residents:

The contractor will be continuing paving work on Chesterfield, Lakewood, and Endicott. The anticipated schedule is as follows:

Friday, October 11th:

Paving the asphalt base on Chesterfield. Residents will be able to drive on the asphalt after paving. Please expect some delay during the actual paving operation.

Saturday, October 12th:

Paving the asphalt base on Lakewood, residents will be able to drive on the pavement, however please expect some delay while the crews are actively paving.

Endicott will have the top course of pavement completed on Saturday. Residents will be able to drive on the road after the pavement is set. Parking on the street and over the curbs will be prohibited until Monday, October 14th.

We will do our best to make accommodations to limit the disruption to your schedule. There will be an onsite representative from the City in case of questions or need assistance.

Thank you for your cooperation while we complete the road improvement work in your neighborhood.
